2. Click on "Apply Discount" and then enter the password **GTA** (case sensitive) to unlock the special pricing.

The screenshot shows the website's shopping cart with two tickets. A pop-up window titled "Change Ticket Discount" is open, prompting the user to enter a coupon code to unlock special pricing. The "Select New Ticket Price" section shows the current price of \$60.00 and a dropdown menu with "GTA (GTA), \$50.00" selected.

3. Once the special pricing has been unlocked, the **NEW** ticket price can be selected (**GTA** as shown). When selected click on "Change Discount" to apply.

This screenshot shows the same shopping cart as the previous image, but the "Change Ticket Discount" pop-up window now displays "Special Pricing has been unlocked". In the "Select New Ticket Price" section, the dropdown menu is open, and "GTA (GTA), \$50.00" is highlighted as the selected option.

4. This shows one (1) discount was applied. **This must be repeated for every ticket to receive the discount.** The discount **MUST** be applied **PRIOR** to checking out. Once the order is completed, the discounts can **NOT** be applied.
